Award-winning protection for businesses

"DURING THE YEAR 2013 F-SECURE CLIENT SECURITY HAS OFFERED AN OUTSTANDING PROTECTION AGAINST MALWARE AND INTERNET ATTACKS. F-SECURE SECURITY SOLUTIONS SET SCALE IN THIS DISCIPLINE."

- Andreas Marx, CEO AV-Test

DON'T SETTLE FOR LESS

AV-Test, a leading international and independent service provider in the fields of IT security and anti-virus research, has awarded F-Secure with Best Protection 2013 award for Windows corporate end-point products.

The Best Protection award from AV-Test is based on excellent performance in their monthly tests throughout 2013. F-Secure consistently received top results in protection, always staying ahead of new and emerging threats.

WE'LL PROTECT YOUR COMPANY ASSETS WITH THE BEST END-POINT SECURITY IN THE WORLD

We combine the prevention of known vulnerabilities with advanced, top-quality protection against unknown threats. Software Updater provides automated software updates to keep your environment up-to-date and safe against known vulnerabilities. And our behavior-based, proactive protection technologies safeguard your business from new and emerging malware.

100% Protection

HOW WE PROTECT YOU

F-Secure offers end-point protection for businesses of all sizes.

Our complete, turn-key offering for small and medium sized companies is called **Protection Service for Business**. A hosted service provided by certified F-Secure partners, Protection Service for Business offers protection for smartphones, tablets, workstations and email and file servers. So you can focus on your own core business without security worries. Of course, you can also choose to manage the solution on your own.

For slightly larger companies with their own IT resources, we offer **Client Security** and **Business Suite**. F-Secure Client Security offers uncompromised security for desktops and laptops with minimal impact on performance. This award-winning solution also protects your computer against unknown threats. Client Security can be complemented with other elements such as security for servers, email scanning, and web filtering, or for a full comprehensive package, we offer Business Suite.

KEEP YOUR COMPANY SAFE FROM UNWANTED INTRUSION WITH AWARD-WINNING PRODUCTS BY F-SECURE

F-Secure – Protecting the irreplaceable

Innovation, reliability and speed of response have made F-Secure one of the world's leading IT security providers since its founding in 1988. Today, F-Secure's award-winning, easy-to-use products are trusted in millions of homes and businesses globally. We provide powerful real-time protection allowing computer and smartphone users to enjoy a connected life.
