

SUPPORT FOR F-SECURE® CLIENT SECURITY 7.12 AND F-SECURE® POLICY MANAGER 7.2X ENDING

Support for F-Secure Client Security, version 7.12 and F-Secure Policy Manager, version 7.2x will come to an end on January 31st, 2010 after which we cannot guarantee the functionality of the products.

The replacing product versions are:

- F-Secure Client Security 8.01
- F-Secure Policy Manager 8.11

Information security threats are widespread and becoming more complex all the time. We continuously develop our products to better respond against these new threats. Our newest product versions introduce many advanced features like protection against spyware and rootkits. We cannot guarantee an adequate level of protection for customers using older product versions.

An up-to-date list of supported products by F-Secure is available at:
