

SUPPORT FOR F-SECURE® PROTECTION SERVICE FOR BUSINESS, SERVER SECURITY 6.11 ENDING

Support for F-Secure Protection Service for Business, Server Security 6.11 will come to an end 30th June 2009, after which we cannot guarantee the functionality of the product.

The replacing product version is:

- F-Secure Protection Service for Business, Server Security 8.00

Information security threats are widespread and becoming more complex all the time. We continuously develop our products to better respond against these new threats. Our newest product versions introduce many advanced features like protection against spyware and rootkits. We cannot guarantee an adequate level of protection for customers using older product versions.
