## **SUPPORT FOR F-SECURE® CLIENT SECURITY 11 SERIES ENDING**

Support for Client Security 11 series will come to an end on June 25<sup>th</sup>, 2016(\*) after which we cannot guarantee the functionality of the product series.

The replacing product is:

- F-Secure Client Security 12.00

Information security threats are widespread and becoming more complex all the time. We continuously develop our products to better respond against these new threats. Our newest product versions introduce many advanced features like protection against spyware and rootkits. We cannot guarantee an adequate level of protection for customers using older product versions.

An up-to-date list of supported products by F-Secure is available at:

### **(\*)Limited support extension of Client Security 11-series, until 10th of February 2017.**

Limited extension of support means that all our customers will continue receiving Virus definition updates for 11-series products until 10th of February 2017. However, F-Secure will not release any maintenance releases for the 11-series. All updates to the product will be done only to the latest supported 12-series products.

Yours sincerely,  
F-Secure Corporation
