SUPPORT FOR F-SECURE® MOBILE SECURITY 17.1 ENDING

Support for Mobile Security 17.1 will come to an end on 8 May 2020, after which we cannot guarantee the functionality of the product series.

The replacing product is [F-Secure Mobile Security 17.7](#).

Information security threats are widespread and continuously becoming more complex. We incessantly develop our products to better respond against these new threats. Our newest product versions introduce many advanced features that enhance your protection. We cannot guarantee an optimal level of protection for customers using older product versions.

An up-to-date list of supported product versions is available at:
