SUPPORT FOR F-SECURE® MOBILE SECURITY ENDING

Support for F-Secure Mobile Security (all versions) will come to an end on 31 March 2022, after which time the product will completely stop working.

This product is being replaced with [F-Secure Elements Mobile Protection](#).

Information security threats are widespread and continuously becoming more complex. We incessantly develop our products to better respond against these new threats. Our newest product versions introduce many advanced features that enhance your protection. We cannot guarantee an optimal level of protection for customers using older product versions.

An up-to-date list of supported product versions is available at:
