SUPPORT FOR ALL VERSIONS OF F-SECURE® PSB SERVER SECURITY ENDING

Support for all versions of PSB Server Security (including the 12-series) will come to an end on 27 February 2020, after which we cannot guarantee the functionality of the product.

The replacing product is [F-Secure Server Protection](#), and we recommend all users upgrade as soon as possible.

Information security threats are widespread and continuously becoming more complex. We incessantly develop our products to better respond against these new threats. Our newest product versions introduce many advanced features that enhance your protection. We cannot guarantee an optimal level of protection for customers using older product versions.

An up-to-date list of supported product versions is available at:
