14. Resolution on the remuneration of the Auditor

Q: Could you please provide more detailed information on what these non-audit fees include (~ 52.1 %)?

A: The non-audit fees paid to company auditor PwC mainly relate to the review and evaluation of different strategic options in 2021.

As explained in the Note 7 to the Financial statements, a special permission to exceed the maximum amount of non-audit fees has been obtained from the auditor oversight body of Finland.
