CONSUMER SECURITY UP BY 5% IN Q1

OPERATOR
SALES

- Regional growth evenly distributed; Finland, several key markets in Europe as well as North and South America developing favorably
- Increasing product activation rates as a result of continued efforts to improve operational excellence with partners

DIRECT SALES & RETAILERS

- Continued strong growth, driven by online sales of Freedome
- Increasing interest towards VPN & Privacy solutions
- Regionally, the majority of absolute growth came from the Nordics, Germany, the UK and the US
- Retail sales increased

The Company continued to prepare for the first deliveries of F-Secure Sense, an innovative security solution for connected home devices, expected by the end of the second quarter in 2017.
DEMAND RISING FOR VPN & PRIVACY SOLUTIONS

Which VPN should I get?

Ms. Sandvik recommended Freedome by F-Secure and said TunnelBear was another popular option.

WE CONTINUE WITH OUR INVESTMENTS

2016

Our model works
✓ Very competitive portfolio
✓ Fast growing channel
✓ Security capabilities best-in-class

2017

Seize the opportunity
✓ Boost product development
✓ More cross-selling
✓ Expand channel
✓ Recruit best people
Encouraged by the results from our growth investments in corporate security in 2016, we have decided to make a meaningful additional investment in both product development and go to market in 2017.

- Revenue is anticipated to grow from the previous year’s level (2016: EUR 158.3 million)
- Operating profit is anticipated to be EUR 8–12 million (2016: EUR 19.2 million); profitability in the first quarter of 2017 is foreseen to be lowest during the year following typical seasonality, and clearly better towards the year-end
All income statement figures refer to continuing operations, and figures in brackets refer to the corresponding period in the previous year, unless otherwise stated. F-Secure’s personal cloud storage business (younited) was sold to Synchronoss Technologies in February 2015 and is reported as discontinued operations 2015–2016.
