F-SECURE® PROTECTION SERVICE FOR EMAIL (SaaS) ENDING

Support for F-Secure Protection Service for Email (**SaaS**) will come to an end on **31 May 2019**, after which the service will no longer function.

Existing licenses can carry out their term and will reach end of life on their expiry date.

End of sales for this service was previously announced on 14 September 2017.

The cyber security landscape is evolving rapidly and during the past few years, F-Secure has entered new high-growth cyber security solution areas. To ensure strong investments into and resourcing for our chosen strategic areas, we are streamlining our product portfolio.

An up-to-date list of supported product versions is available at:
